General Disclosures
All HUD Homes are sold in their AS-IS condition: HUD will not make any repairs nor allow the purchaser to complete any repairs prior to closing. **FOR YOUR PROTECTION GET A HOME INSPECTION**
Permission to activate utilities for purposes of the home inspection may be requested from the HUD Field Service Manager after the HUD-9548 sales contract is executed by the seller. Fees for activation may apply.
Properties being purchased with FHA insured financing will require a termite inspection and possible treatment. Should the purchaser elect to change their financing to a type other than FHA insured AFTER the inspection and/or treatment has begun, the purchaser will be responsible for reimbursing HUD for the cost of the inspection and treatment prior to closing.
Properties built prior to 1978 and being purchased with FHA insured financing will require a lead-based paint inspection and possible stabilization. Should the purchaser elect to change their financing to a type other than FHA insured AFTER the inspection and/or stabilization has begun, the purchaser will be responsible for reimbursing HUD for the cost of the inspection ,stabilization and clearance letter prior to closing.
